## Introduction

Gyansarover International School is the Brainchild of forward thinking stalwarts of Educationist trio Sunny Anand, Rashmi Roy & Upashna Shukla who felt the need of providing International curriculum to the society. We realised that in the ever new technological era, they should take on the onerous task of providing customised, individual and experimental learning to young minds.

Gyansarover International School is run under the aegis of Gyansarover Foundation which is dedicated to freedom fighter Late Mahavir Singh ( Founder of M.S. Memorial Academy) & Surendra singh yadav who nurtured the dream to come into reality.

Gyansarover International School (GIS) is a co-educational Day School that proposes to offer modern & innovative CBSE Curriculum, well integrated with the best practices of Indian educational system. Our school was formally launched on 12 December 2016 and announced admission from Play to Grade VIII for the first Academic year 2017-18

GIS believes that children learn their own unique style. Young minds have infinite capacity to understand, grasp and master various skills. Hence, we ensure that during the crucial years of children's development they are provided with practice based training under the guidance of experts. GIS aims to impart students with knowledge, discipline, confidence, excellence and sense of responsibility. Education at GIS focuses on the holistic development of the students.

The international curriculum constitutes diverse activities resulting in a well balanced program encompassing all the three dimensions of education - the academics, the co-curricular activities and the sports.

Undoubtedly, GIS students will grow up to become inspiring individuals, the nation and the world would be of.

## Teaching Methodology

It is a well known fact that children learn better when they experience practically the knowledge that they receive through class teaching. The curriculum of GIS is based on experiential and research based individualised learning. It is highly flexible, analytical and offers in-depth study leading to problem solving.

Assessments are continuous and individualised, Based on multi layered classroom methodology. Differential instructions cater to varied learning styles and behaviour among children.

Multiple intelligence is given due consideration in the regular teaching learning process at GIS.

The international character of school takes care of synthesising the best practices of the east and the west a very challenging global curriculum in the Bhartiya context value education is giving priority.

The Practical intellectual and the social skills are shaped through carefully chosen activities of classroom and beyond.

## Chairman Message

**SUNNY ANAND**

बिहार जो कि प्राचीनकाल से ही अपनी विश्वविख्यात शिक्षा विरासत के लिए प्रसिद्ध है, वहीं मुझे अपना यह संदेश देते हुए अत्यंत प्रसन्नता का अनुभव हो रहा है कि इसी बिहार के पटना में “ज्ञानसरोवर इंटरनेशनल” स्कूल शिक्षा के संकल्पों और विचारों को लेकर अपना प्रकल्प प्रारम्भ कर रहा है। इसका लक्ष्य भारत की नई पीढ़ी को विश्व स्तर पर सुशिक्षित करने के साथ साथ भारतीय परिवेश एवं संस्कारों के योग्य बनाना है। निस्संदेह यह कार्य अत्यंत चुनौतीपूर्ण है परंतु मुझे आशा ही नहीं वरन पूर्ण विश्वास है कि विद्यालय प्रबंधन अपनी दूरदृष्टि एवं सुधी शिक्षकों के सहयोग से इस पुनीत कार्य को सम्पन्न करने का यथा संभव प्रयास करेगा।

दर्शन शिक्षा तथा ज्ञान विज्ञान के क्षेत्र में पटना की अंतर्राष्ट्रीय ख्याति है जिसके अनुरूप विद्यार्थियों में शैशवकाल से ही रचनात्मक सोच, गंभीरता, जटिल समस्याओं के समाधान की क्षमता एवं संचार तथा विचार-विनिमय के ज्ञान को विकसित करने के लिए विद्यालय कृतसंकल्प है। परिणामस्वरूप सृजनात्मक वैज्ञानिक बोध और भारत की संस्कृति को आत्मसात करने का अद्वितीय समन्वय विकसित कर नवीन चुनौतियों को स्वीकार करने में यह विद्यालय पटना के साथ साथ समस्त बिहार के लिए मार्गदर्शक सोपान सिद्ध हो, यही मेरी कामना है।

....Education is the key to unlock  
the golden door of freedom....

....Education is the most powerful weapon which you can use to change the world.....

**Welcome to GyanSarovar International School!**

**Dalai Lama** once said *"When educating the minds of our youth, we must not forget to educate their hearts"*

A new academic year brings forth new challenges and new opportunities.

We are a caring community where students needs are a priority and where traditional indian and modern western educational values are respected and encouraged to co-exist.

Lets start by doing what is necessary then what is possible and suddenly we will be doing "the impossible"

We believe that each child is unique and gifted and a child's capacity to learn and create is infinite.

Teachers at school and parents at home are equal stakeholders in the holistic education and we both need to be partners in this learning process of your child. Our endeavour is to teach each of our students to redefine success.

I welcome you again to GyanSarovar International School, a modern day gurukul where we intend to develop a partnership which aims at moulding our children into national citizens with a global vision.
